Yes, I would like to help coach/supervise a team.

Yes, I would like to inquire about sponsoring a team.

Nearly 26 years ago - before there was Prime Time Hockey, our business began with the STANIMA Summer Youth League, which also gave birth to the STANIMA Summer Camps. I used the picture of my close friend Nick Kypreos from his Hartford Whalers NHL hockey card, turned him into a silhouette - and we had our logo!

The Stanima SYHL was the first of its kind in the Toronto area, to the extent that to this day most of the summer leagues in that region still employ the structure and philosophy that Stanima carved back in the mid-90's.

The Stanima SYHL was so large in participation that we were able to form select "All-Star" teams at each age group that would go and play in high level weekend tournaments. These teams were called "Stanima Prime Time", officially associating the Prime Time brand with Stanima that eventually morphed into Prime Time Hockey for all of our on and off ice training and development programs.

Last summer of 2017, we went back to our roots and offered a summer youth hockey league to the local community with the launching of Hockey Night In Raleigh. The results were a successful fun, exciting, and competitive experience for everybody involved. We are looking forward to doing it all again in 2018!
